

Tick Tock.  
Tick Tock.  
Clock is ticking.  
Let the games begin.

There might be a  
skeleton hiding in  
your closet.

**BOO!**

If you look at  
me,  
I will surely  
look at you.

Boo Hoo.  
The next clue is  
under your stinky  
old shoe.

Witch's potion filled with  
slime,  
this is where she washes  
the grime.

Creepy crawlers on  
the seat,  
find out what is  
underneath.

In the darkest of  
night,  
you might find the  
clue near the light.

See the walking  
dead,  
he is hiding under  
the bed.
